THE GREATEST QUESTION BEFORE THE WORLD

Some people think of God as involved. Every person is concerned. Some people keep Saturday. The Seventh Day.

Some people keep Sunday. The First Day.

Which does the Bible say which is the right and true? The commandments of God or the commandments of men?

This great subject will be discussed in the Bible and history will be given to show the truth.

Makin, you need relief from long hours in the kitchen. Long hours over hot, smelly stoves. Long hours scrubbing pots and pans that just won't get clean.

A Magic Chef and Pyrofax Gas will do it for you. It is easy to keep clean because it is all gleaming porcelain. It is cool because the oven and broiler are heavily insulated. There are no odors or scrubbing of pans because Pyrofax burns without odor and without soot or smoke.
